

Field Log - Yummy Deals

Step One: Dr. Wick has created four possible coupons to be used at his Yummy's franchise. Your job is to make this as expensive as ever for Dr. Wick. Choose the coupon that saves the most money and therefore gives Dr. Wick the least in his potato sacks.

<p>Coupon 1</p> <p>60% off 3 boxes of chicken nuggets</p>	<p>Show all work here:</p>	<p>Explain your answer in words here:</p>	<p>Amount Coupon Saves</p>
<p>Coupon 2</p> <p>Buy 5 chicken sandwiches, get 2 free</p>	<p>Show all work here:</p>	<p>Explain your answer in words here:</p>	<p>Amount Coupon Saves</p>
<p>Coupon 3</p> <p>2 cheeseburgers for \$20</p>	<p>Show all work here:</p>	<p>Explain your answer in words here:</p>	<p>Amount Coupon Saves</p>
<p>Coupon 4</p> <p>50 cents off a large soda</p>	<p>Show all work here:</p>	<p>Explain your answer in words here:</p>	<p>Amount Coupon Saves</p>

Which coupon will you recommend to Dr. Wick? _____

Next Step: Now, design your own coupon to use at Yummy's. Remember, the more money it saves the customer, the less money in Dr. Wick's pockets. Complete the table below to show how much money this new coupon will save.

Your Coupon Goes Here	Show all work here:	Explain your answer in words here:	Amount Coupon Saves
