

# Mission-Simulation Assignment

## Operation Inner Harbor

Dr. Wick decided to build a miniature golf course in Baltimore's Inner Harbor. The city sold him the oddly-shaped space shown below. They also gave him the measurements on the map, which are in yards.

### Step A

Find the area (in square yards) of Dr. Wick's House of Putt-Putt.

---

### Step B

Use what you know about area to explain how you determined the area of Dr. Wick's House of Putt. Use words, numbers, drawings, and/or symbols to explain your thought process to your fellow AVU agents.
